

Preferred Supplier – Megasealed

First of all I'd like to thank you on behalf of Professionals Service Centre for joining our family once again this year and becoming a Preferred Supplier for our Eastern Seaboard offices.

We recognize your support and partnership over the years in the ongoing services you provide to our clients.

There are many benefits in becoming a Preferred Supplier with Professionals however, the most important is being a part of and belonging to a members driven group who belong to the best value brand. As a Service Centre for our Eastern Seaboard Members, we listen to what our Principals and their team want and in turn they too trust our decisions when it comes to choosing the best suppliers to assist in their day to day business decisions.

We acknowledge your Preferred Supplier status Megasealed by giving you access to Principals, Managers, Property Management, Sales and Administration across the Eastern Seaboard. Your logo and status is included within the Professionals induction process with new offices; in the weekly 'Minute' Newsletter; and included on our Preferred Suppliers Page on the Professionals intranet.

With delight we invite you to attend the Annual Awards night; all Rewards & Recognition events (QLD, GC, NSW, VIC); including sponsorship of an Award. We acknowledge Megasealed as a Preferred Supplier at all Professionals Events held through the year.

Once again, thank you to Megasealed for being a major part of our business structure and we look forward to working with you throughout 2012.

If your team require any assistance or information to assist with your business development you can contact the following Territory Managers located in each state across the Eastern Seaboard;

QLD – Cameron Marshall cameron.marshall@professionals.com.au or 0434 334 181

NSW – Joanne Woodhouse joanne.woodhouse@professionals.com.au or 0434 332 028

VIC – Alastair Lias Alastair.lias@professionals.com.au or 0417 717 870

Kind Regards,

Belinda Parsons
